Jassie

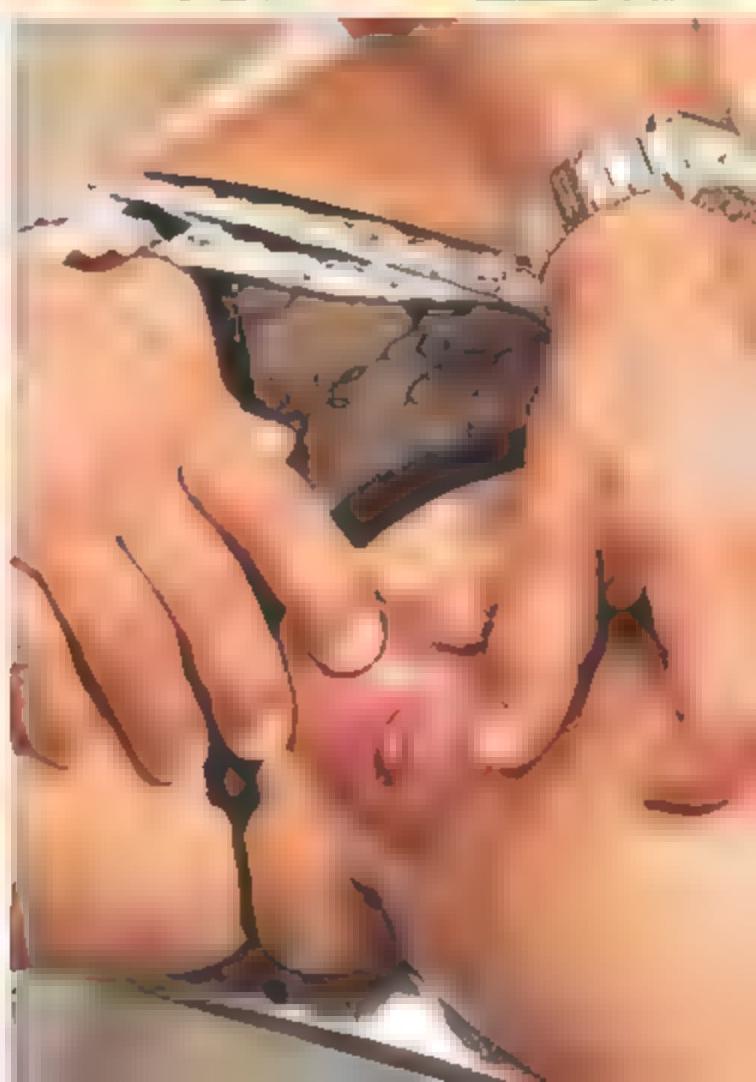

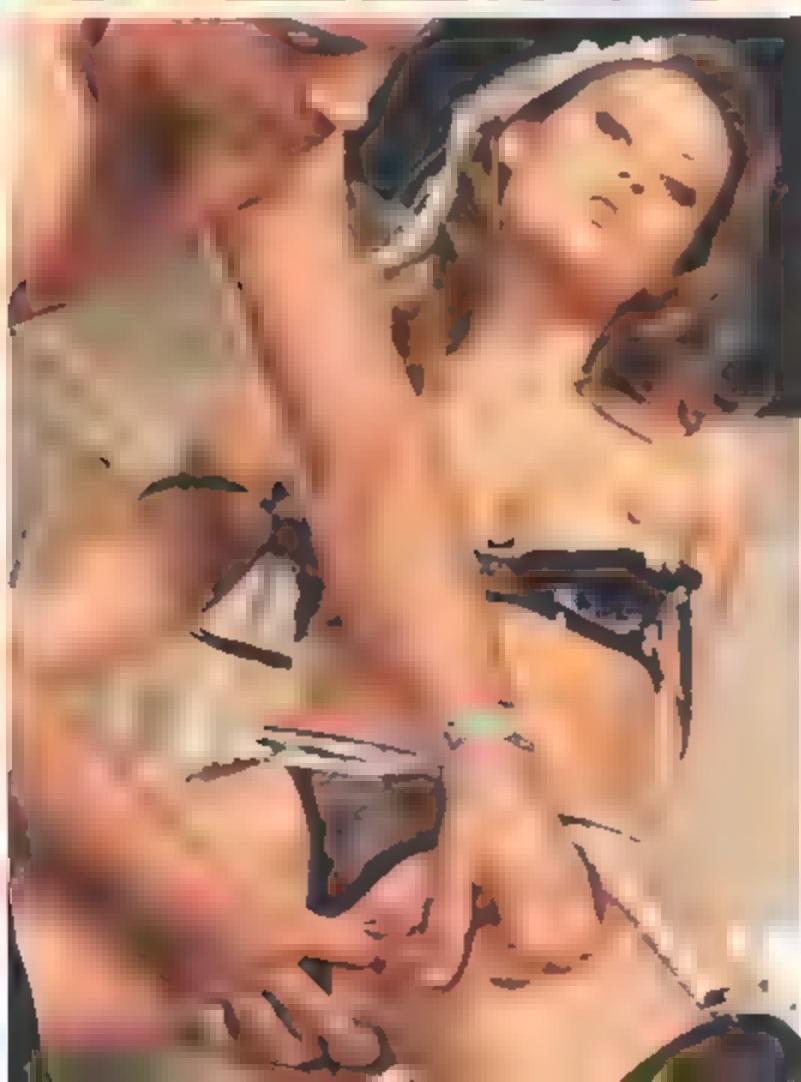

STATS 32B-25-34

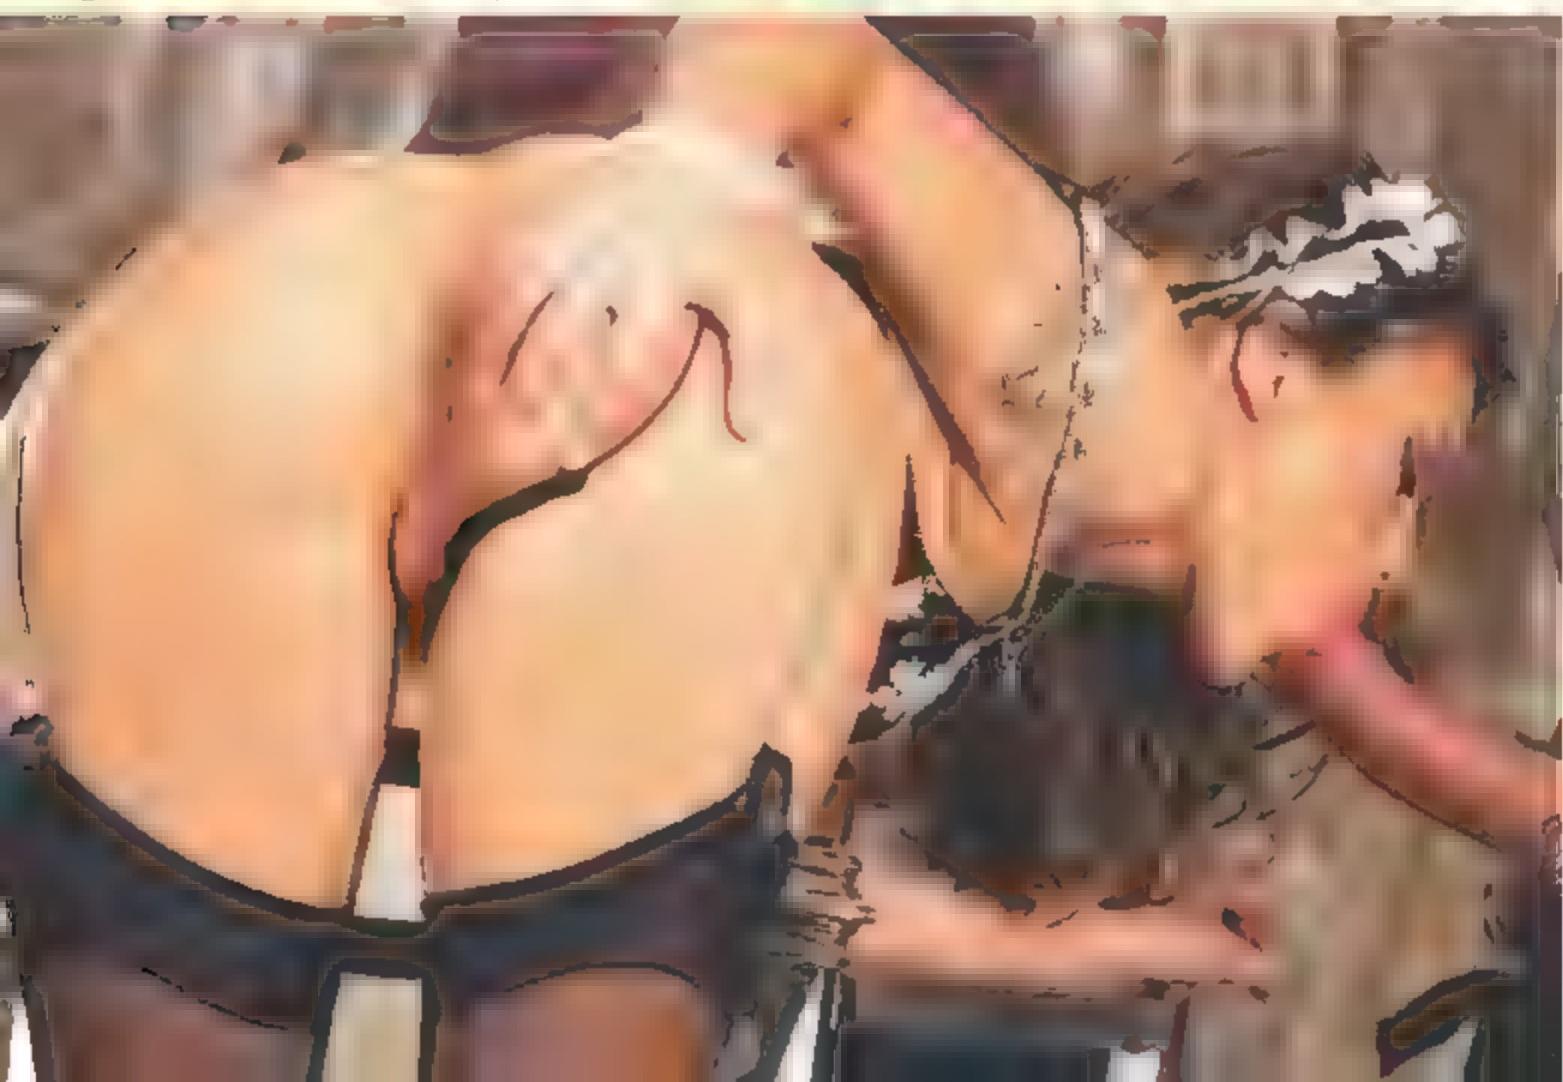

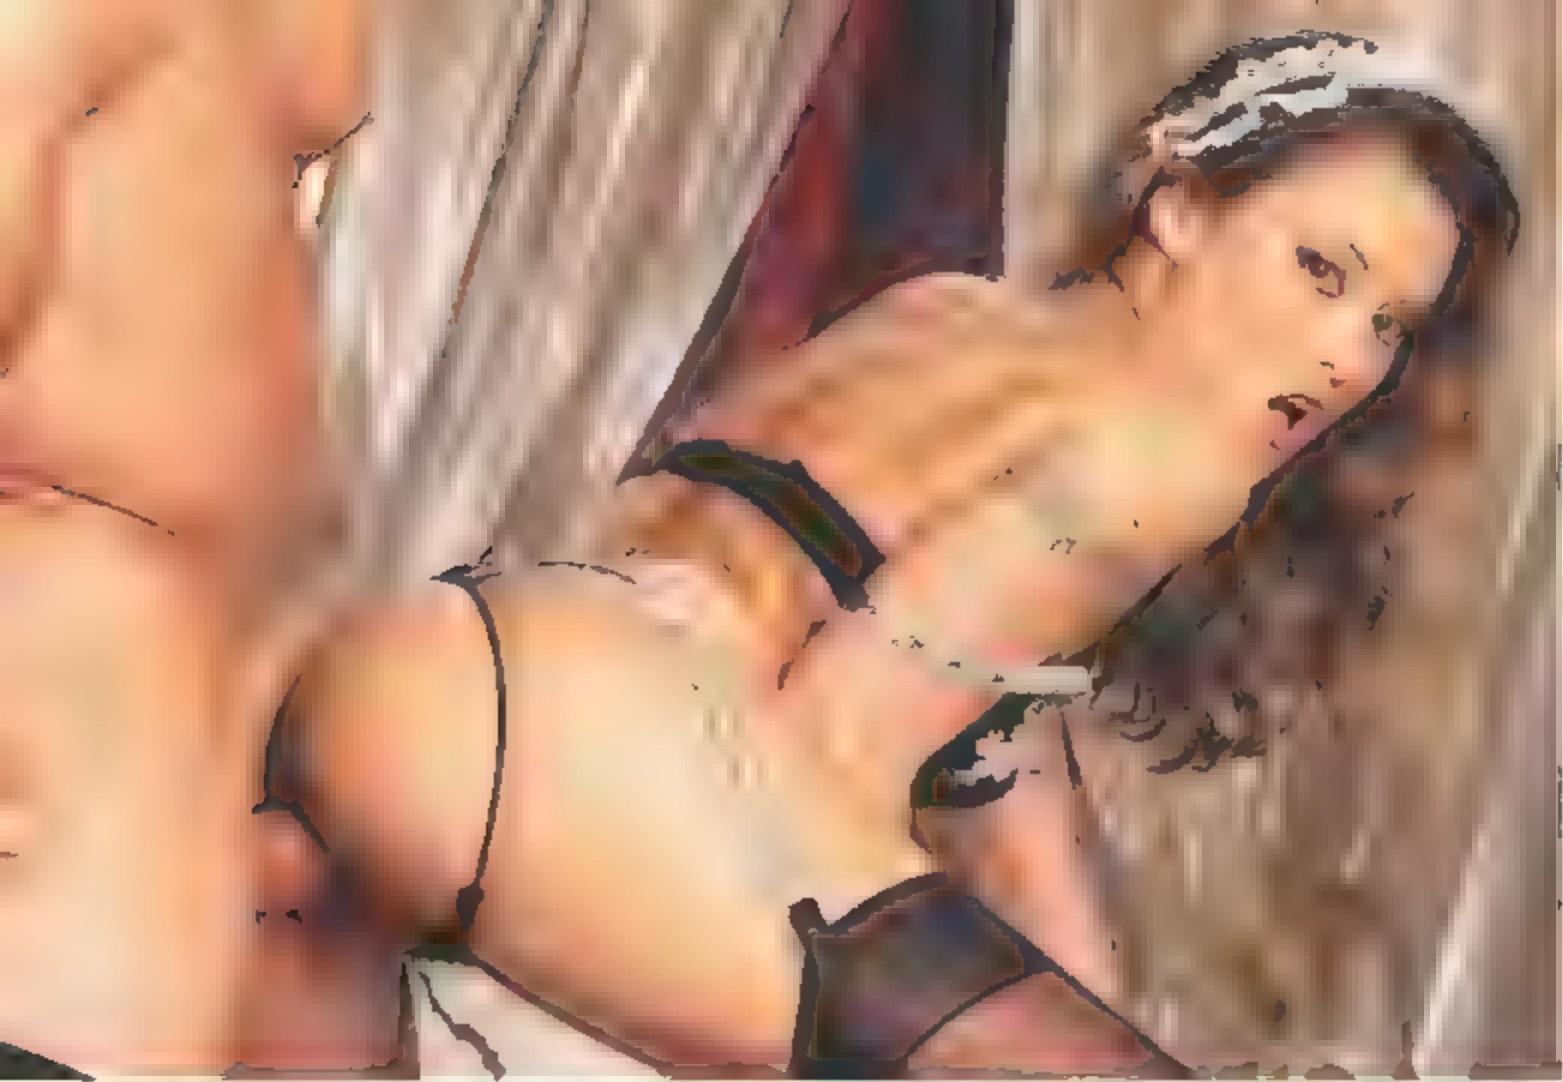

HOME STATE Nevada

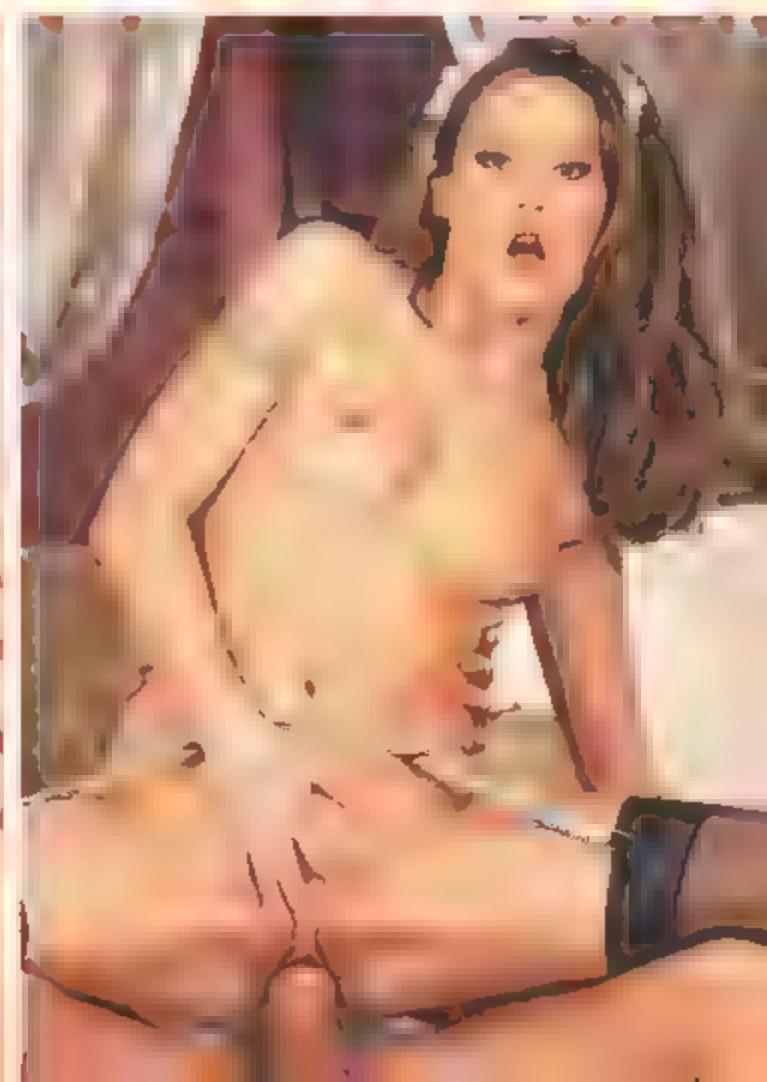

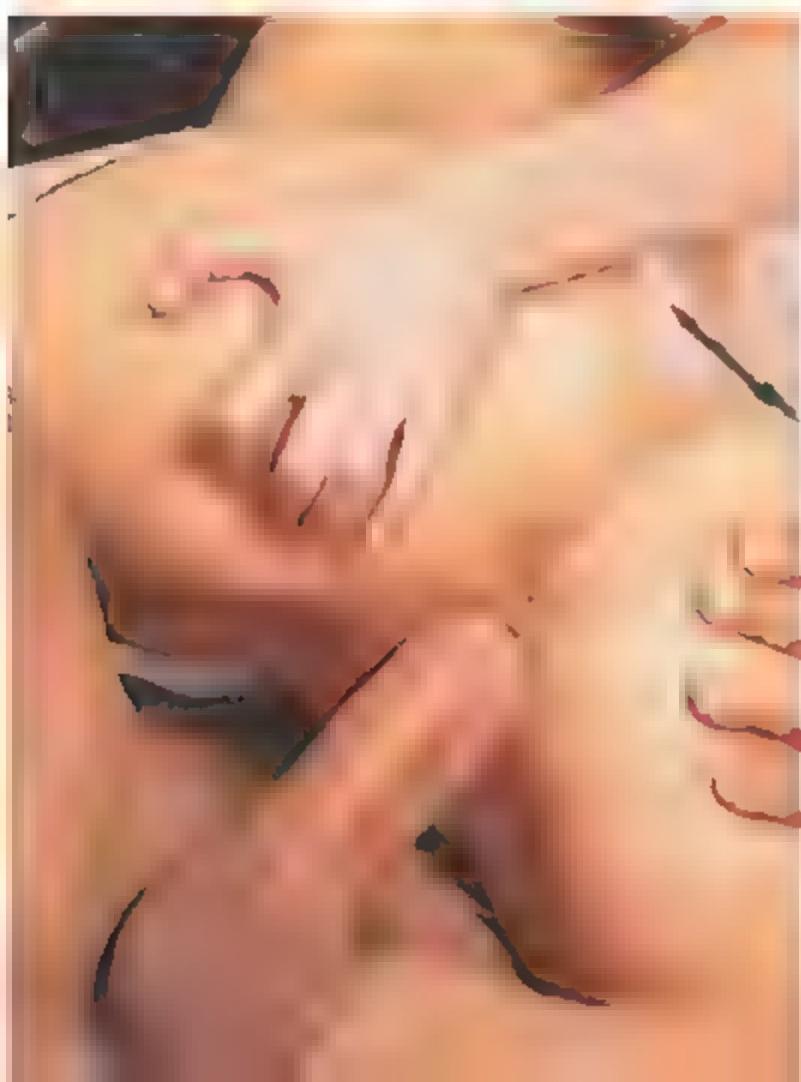

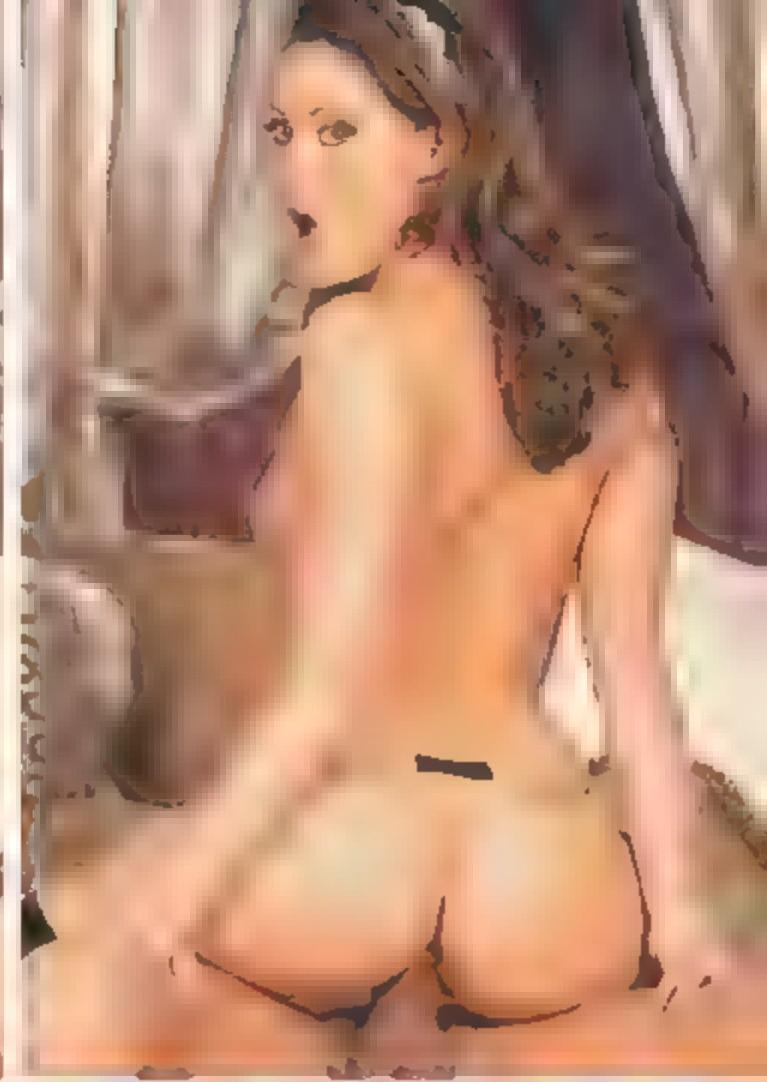

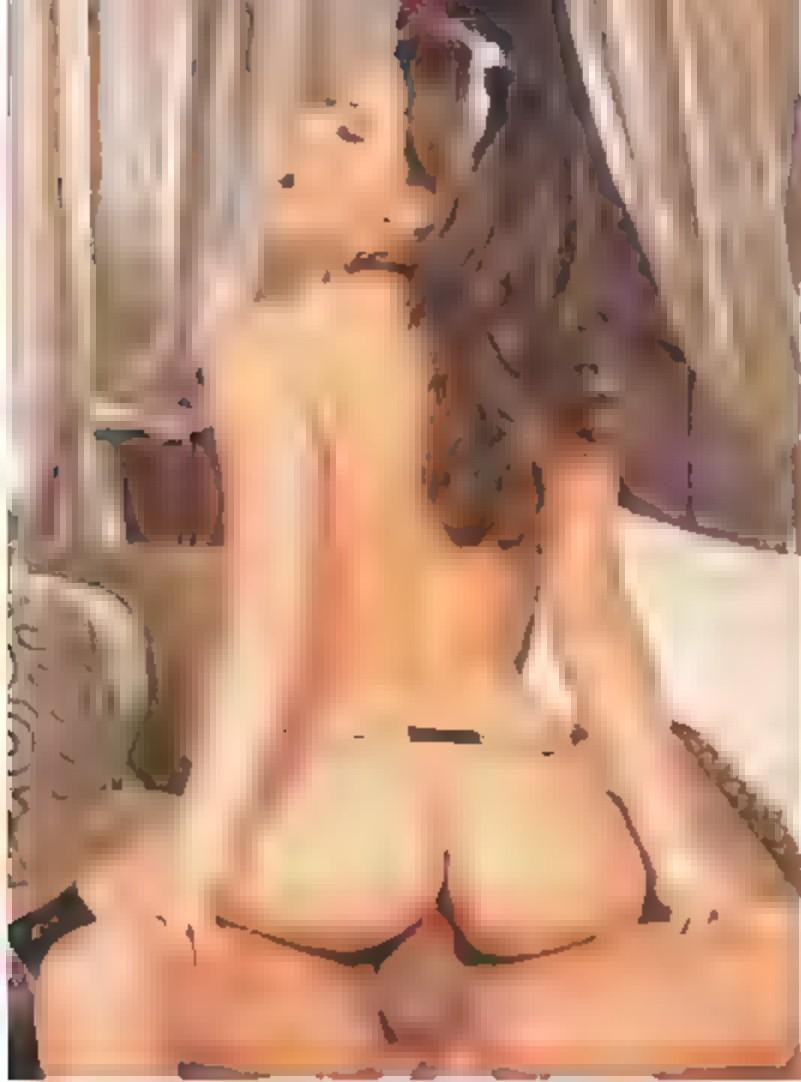

YEARS IN BIZ 6

Jassie took the pretty traditional route into porn. She turned 18, started doing some topless shoots for magazines, which gravitated into full nudes. Then she did a little girl-girl action for the mags and movies and then eventually took some man meat for it. But you know what? It doesn't matter what Jassie does in front of a camera—it's all pretty fuckin' hot and we're always glad to watch!

Cindy Crawford

YEARS IN BIZ 5

Yes, that's her real name, and besides the fact that she's beautiful also, that's where the similarities end with the famous supermodel. This Cindy Crawford is one of porn's nastiest sluts. This bawdy blonde started out mainly doing girl-girl and softer boy-girl scenes like BJ's and vanilla stuff when she was a contract girl for Jil Kelly Productions. Things totally took a turn for the better and Cindy graduated to much, much, much harder stuff like anal, ATM's, creampie, DP's and more. Now she's regarded as one of the hardest in hardcore and we love her just the same!

SexZ Pictures' newest contract star is surely one of the biz's fastest rising starlets. She's been named by a slew of pros as one of the best newbies in hardcore today, so it's no surprise that one of the best new companies in hardcore snatched her up to appear in their movies along with their other contract babe, Hillary Scott. We're predicting huge things (besides cocks going in and out of her holes) for Paulina.

Charmane Star is always at the top of a producer or director's list when they're doing an Asian-themed fuck flick. This exotic beauty is amazing in any scene she does, but especially so in the girl-on-girl XXX fare. According to her co-starlets, Charmane is definitely a pussy-licking pro who knows how to give it as well as she gets it!

Ninn Workx contract star Jana Jordan began her carnal career going by the name of Jana Foxy, and the name definitely fit. So far, she's stuck to girl-girl scenes only, but Michael Ninn is trying to turn her out in her first boy-girl romp. Until then she is definitely making the lesbo action as filthy as she can in movies like *House of Jordan*. There's something so hot about watching this babe with other hotties that definitely makes us cum back for more.

Jenaveva & Kurt

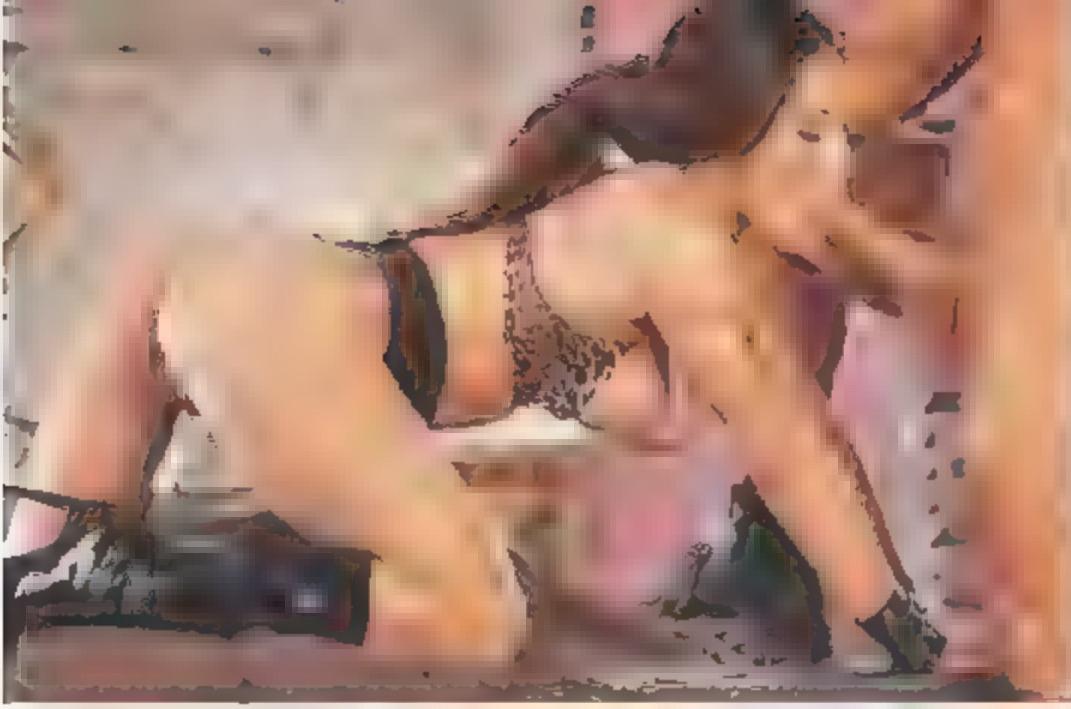

RIGHT UP HER ALLEY

Just because these two porn pros get lots of sex on the net every day doesn't

mean they don't have fantasies in real life. In the case of Jenaveva Jolie and Kurt Lockwood, they love to spice up their personal sex lives with a rendezvous in public places. In this instance, for example, Kurt sends her an email saying, "Can you meet me tonight at 8?" with an attached map pinpointing an alleyway in downtown L.A. "See you there!" she writes back.

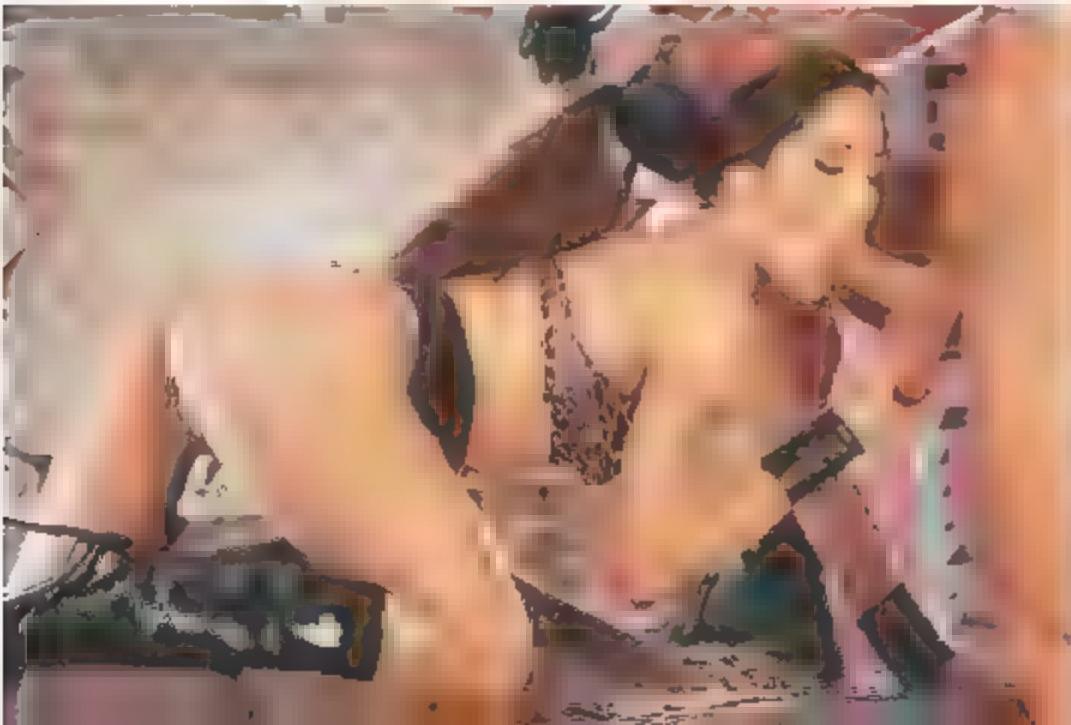

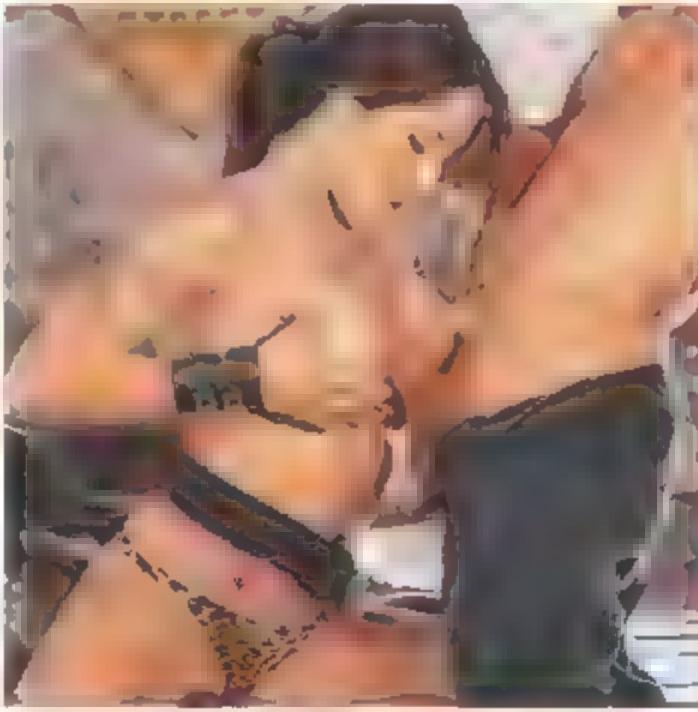

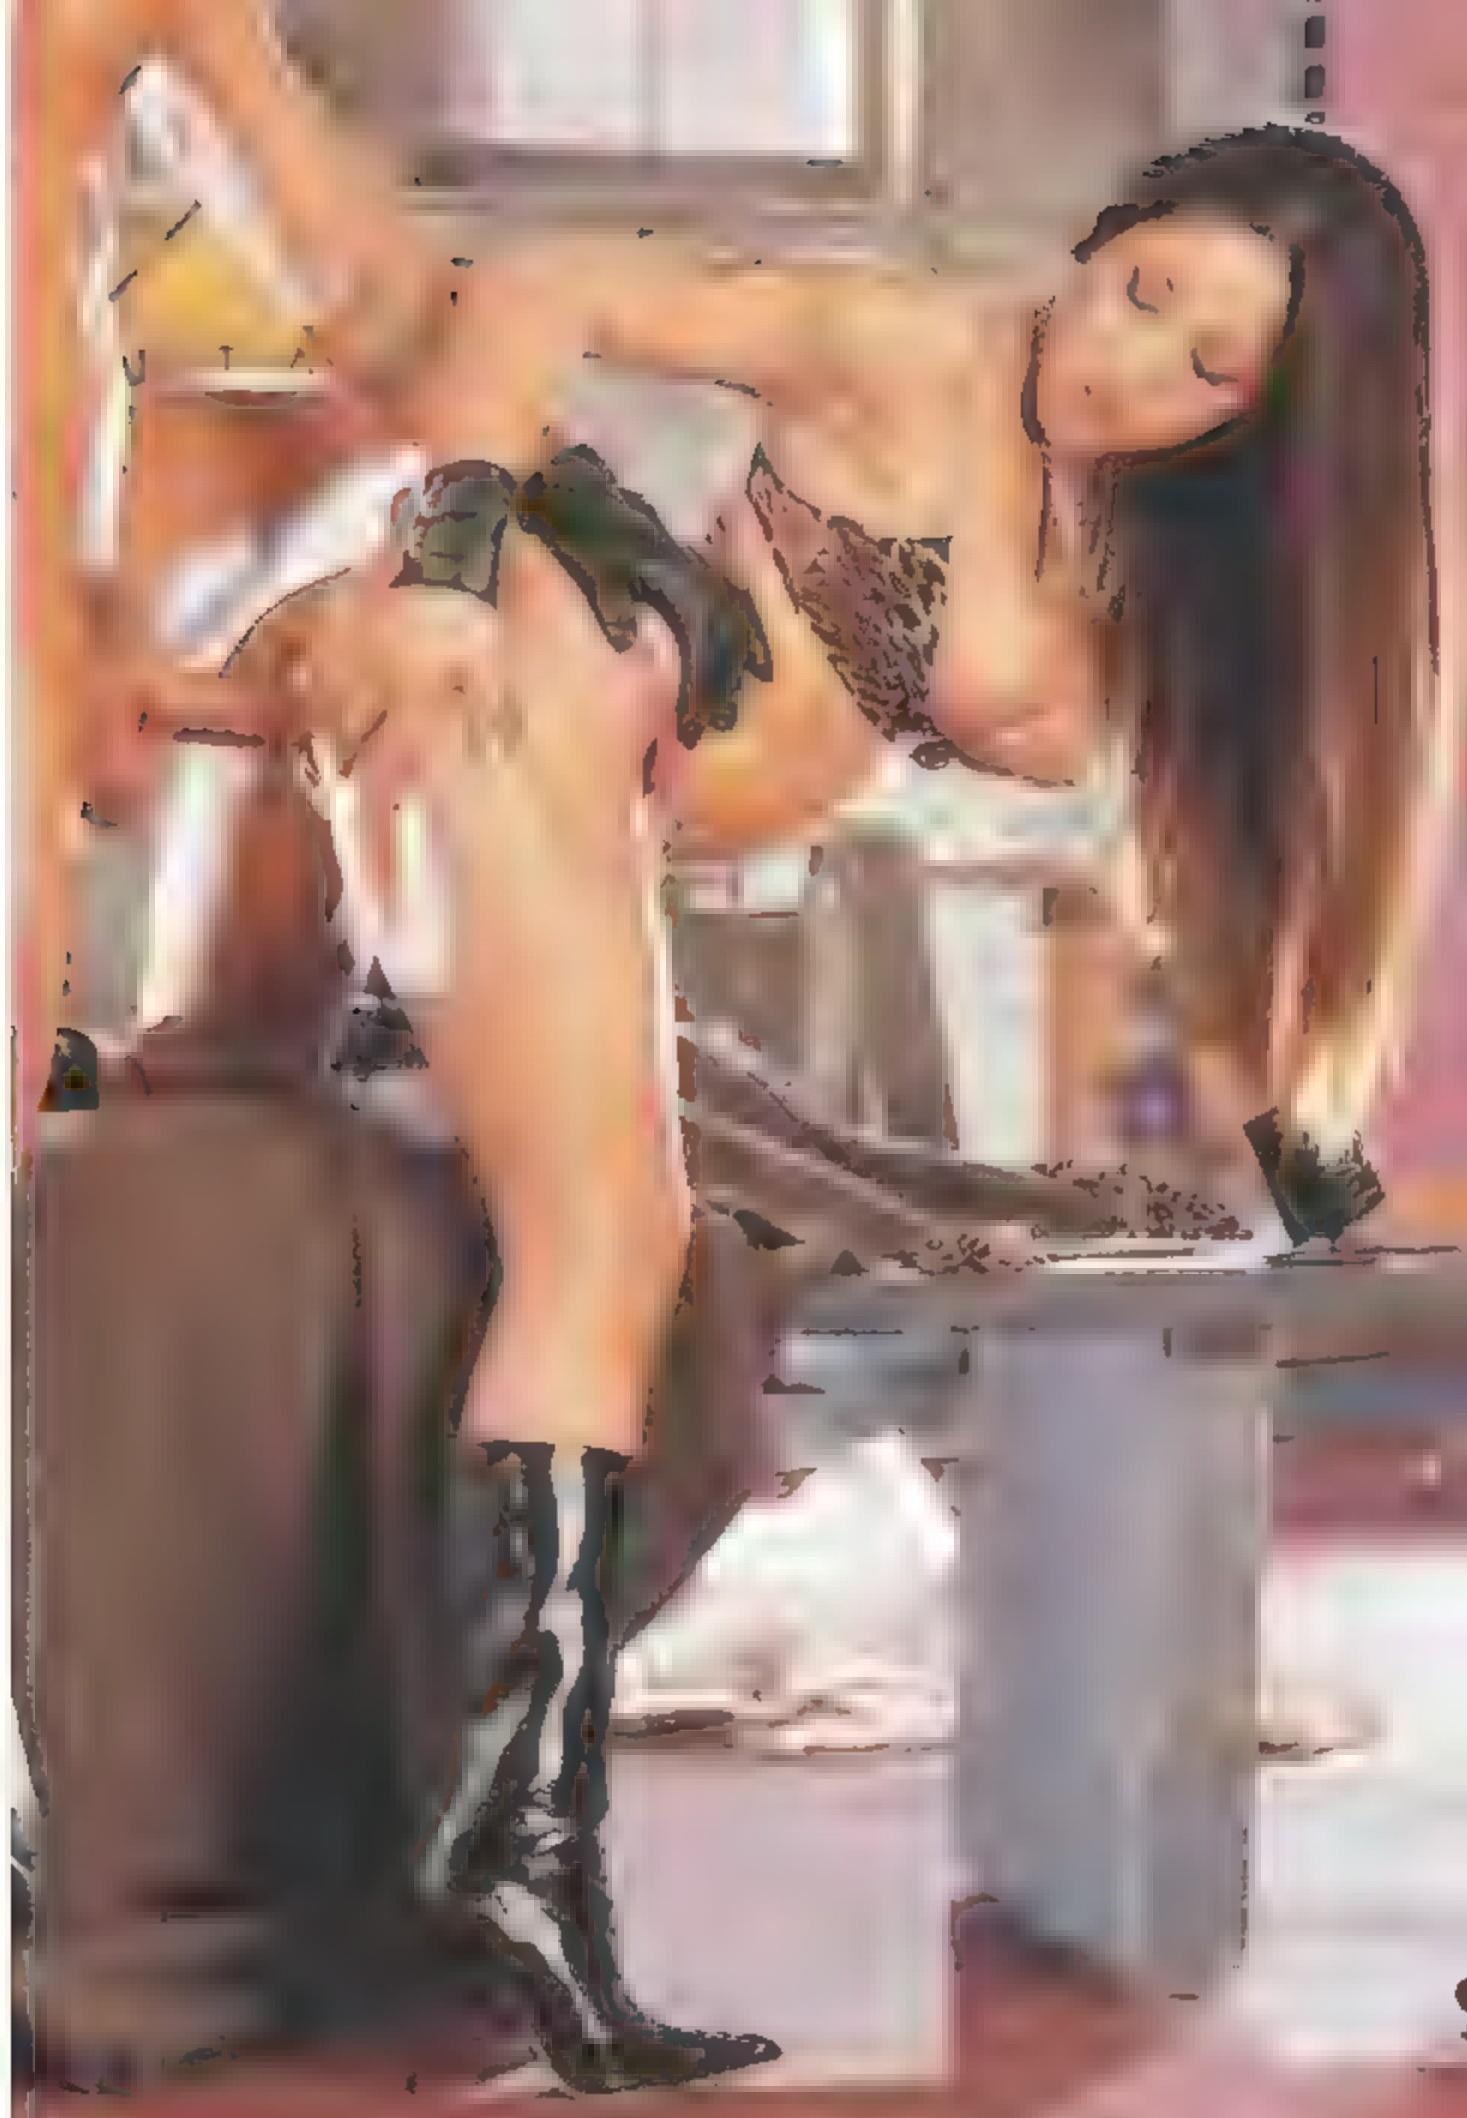

For these two porn stars, sex is always a performance of some kind, always a part of some fantasy game. Each one arrives separately at the downtown alley, pretending not to expect the other and when they meet they come together as total strangers on their own personal missions.

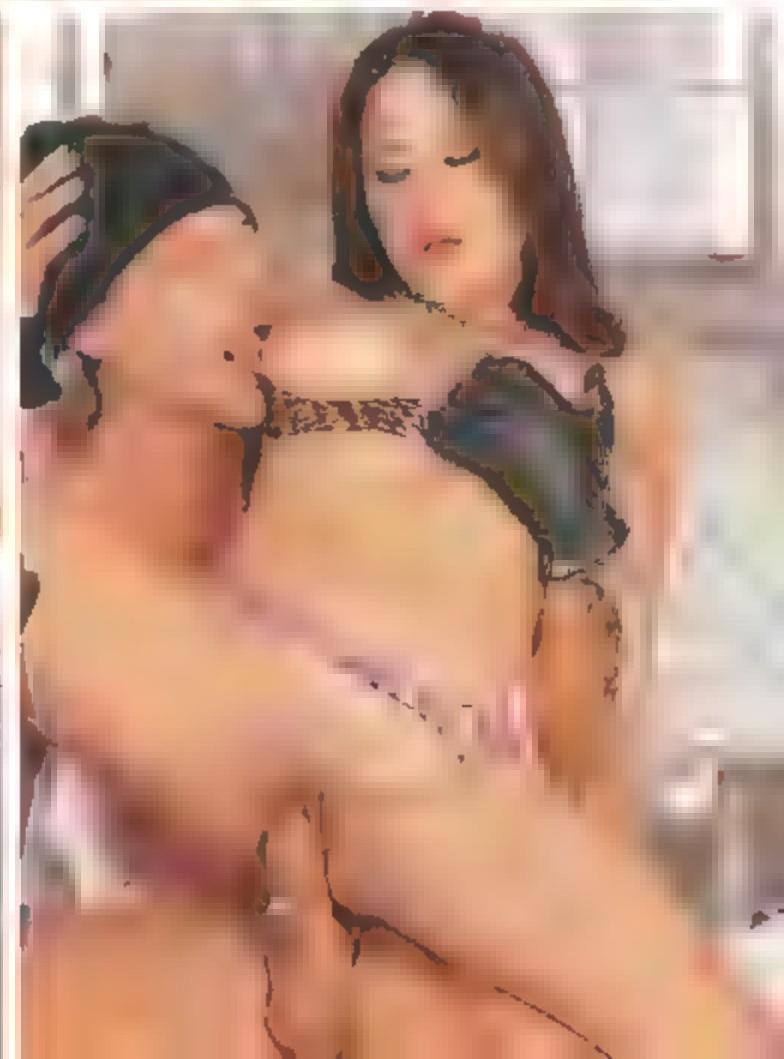

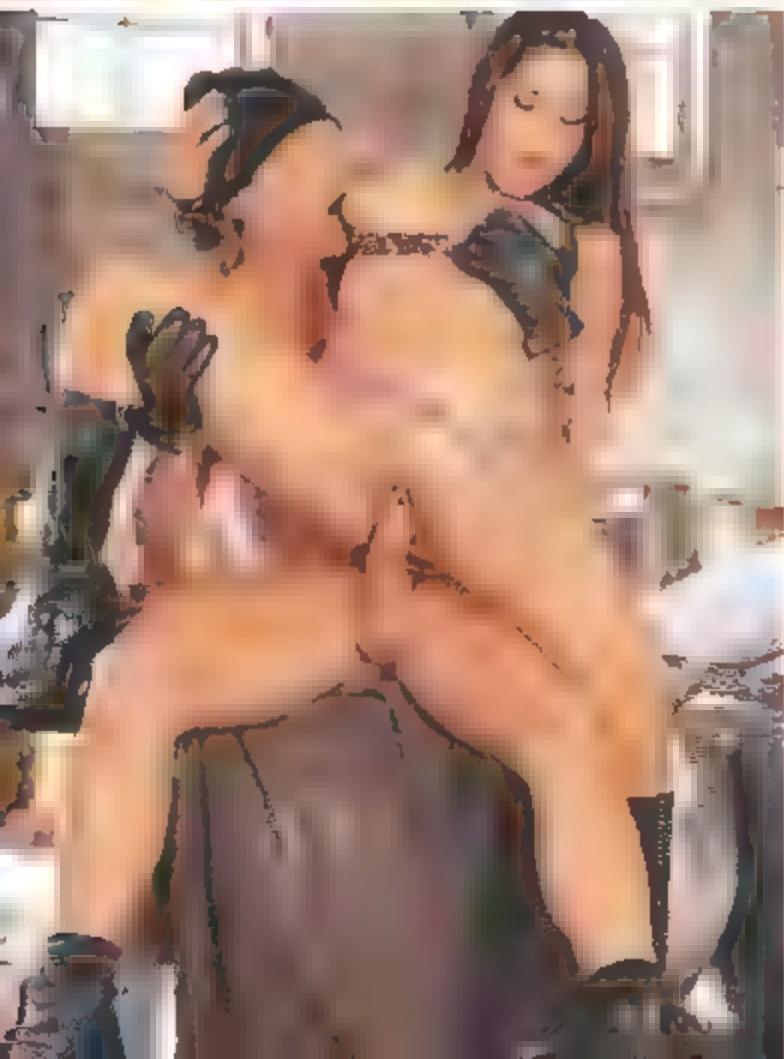

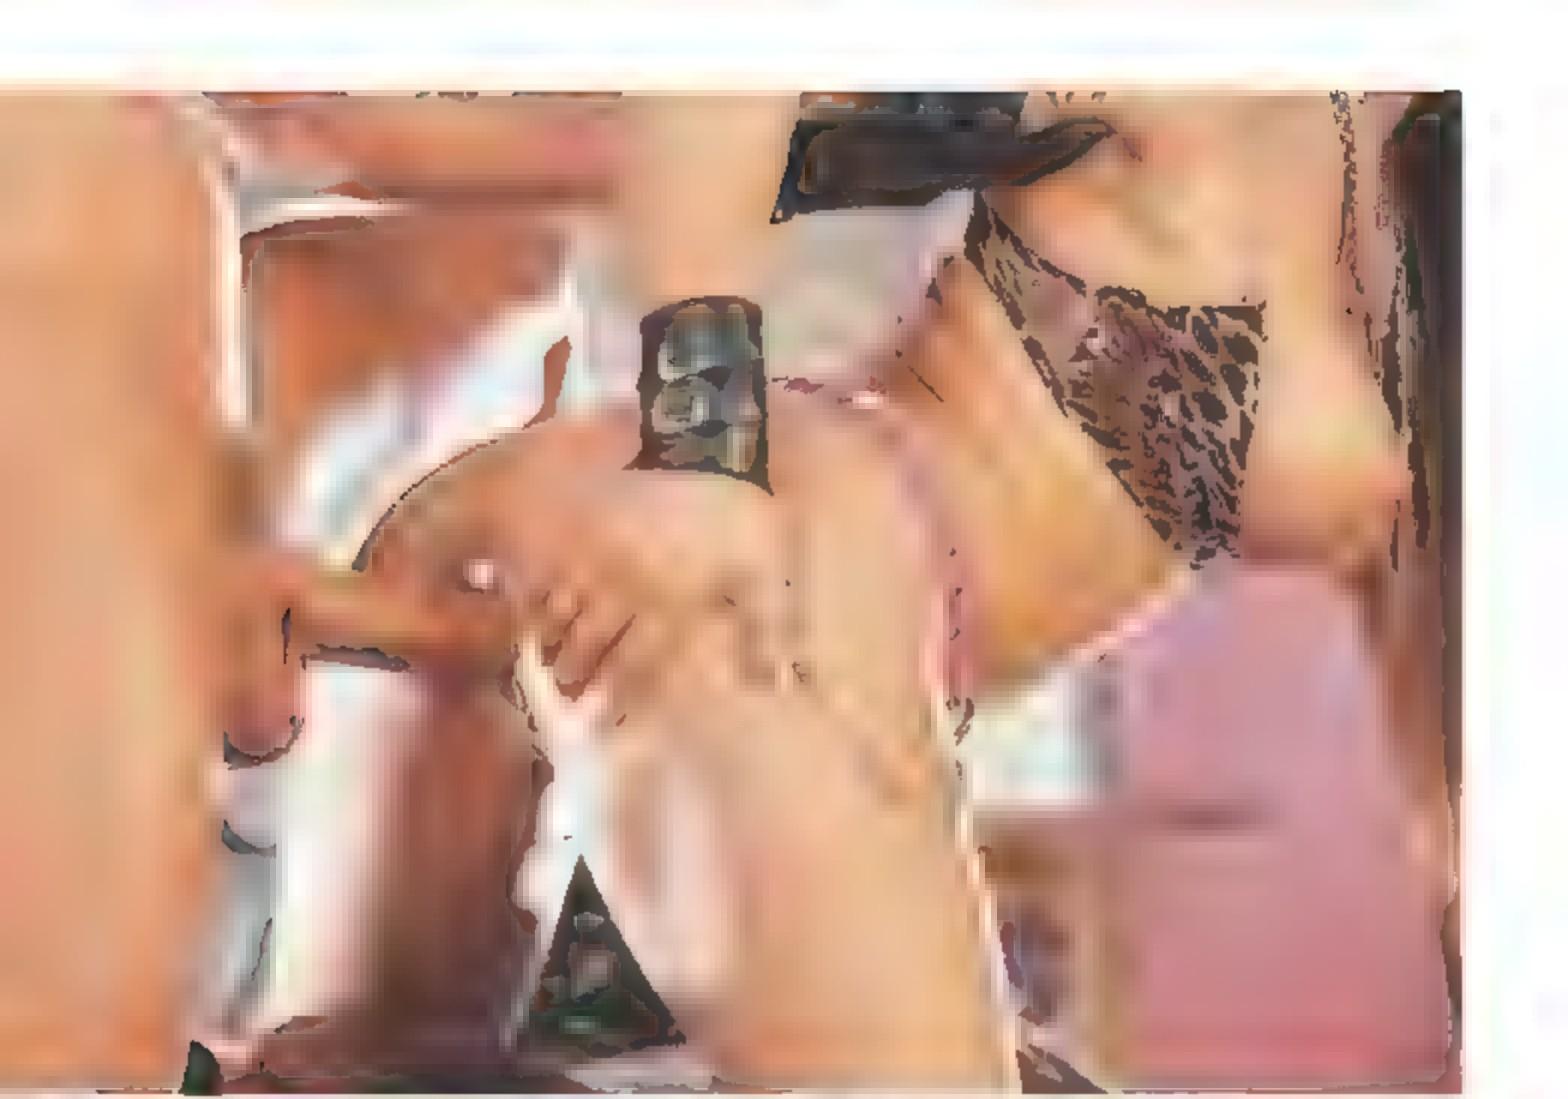

Is she just a common back-alley whore? Some nympho desperately seeking raw and anonymous sex? A middle-class housewife looking for rough trade in a sleazy place as a break in the monotony of her respectable existence?

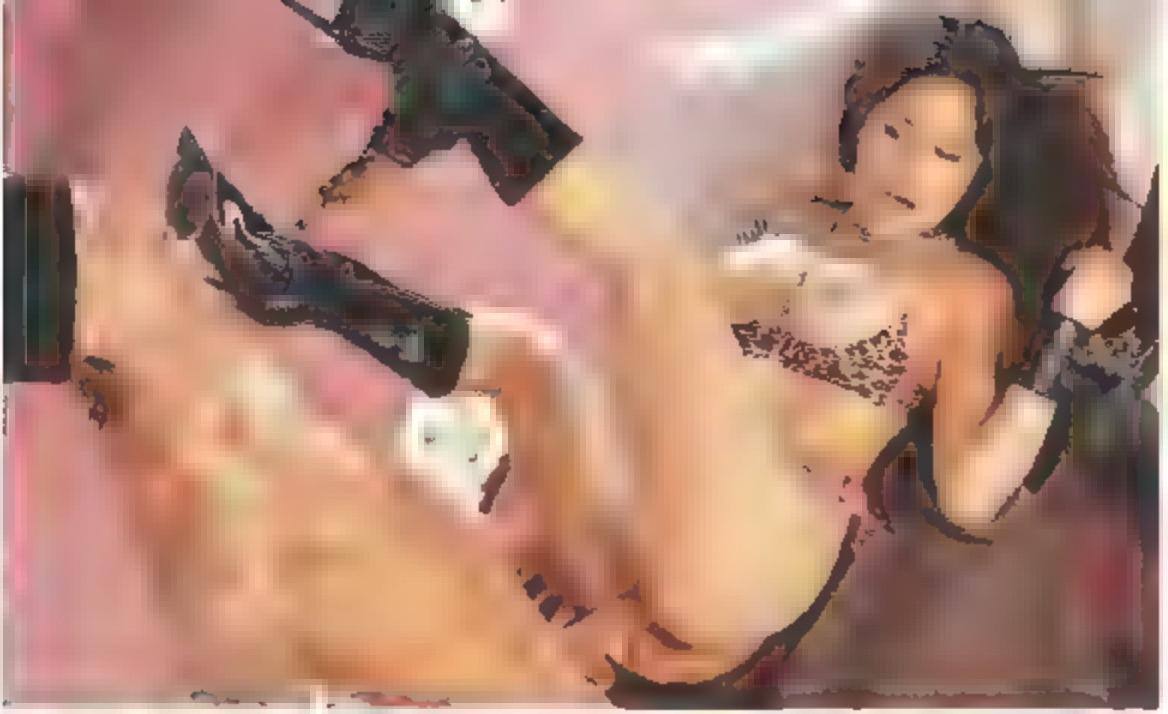

Only Jenaveve—in her lurid imagination—knows for sure.

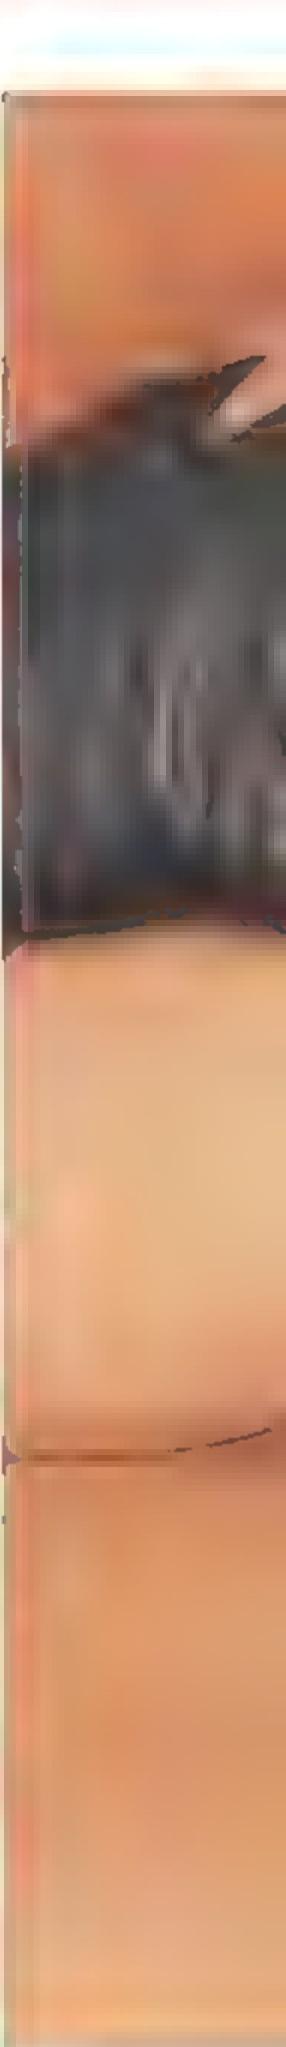

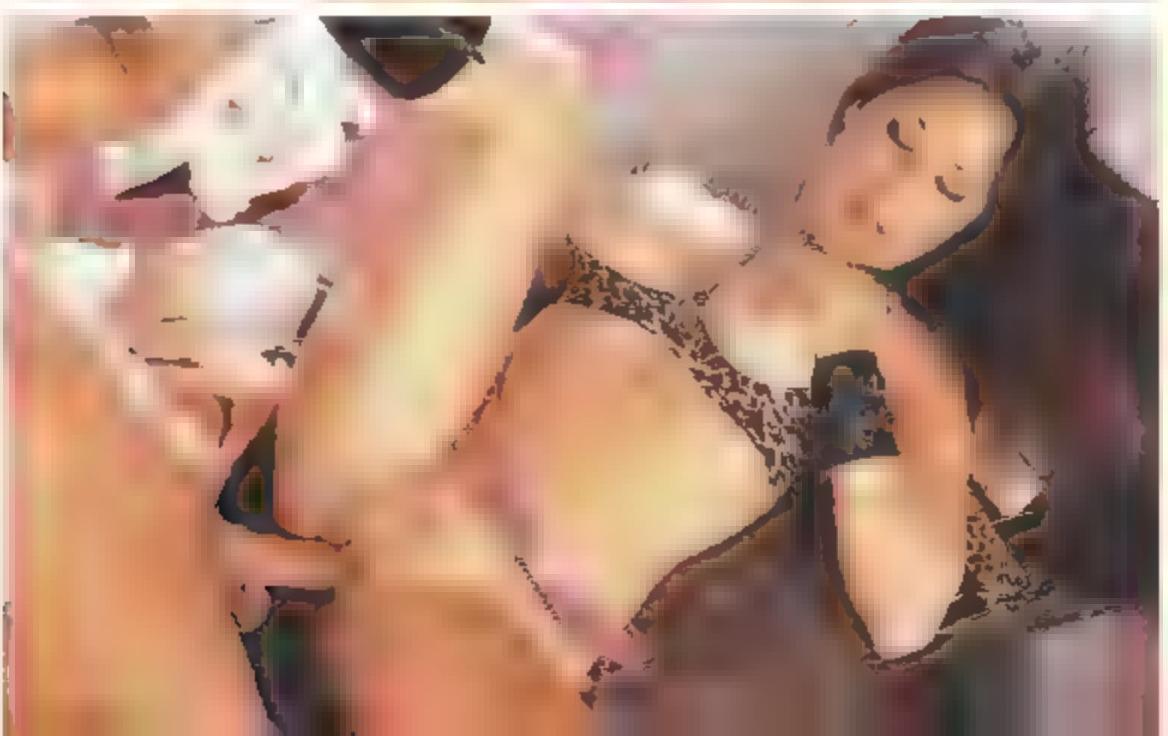

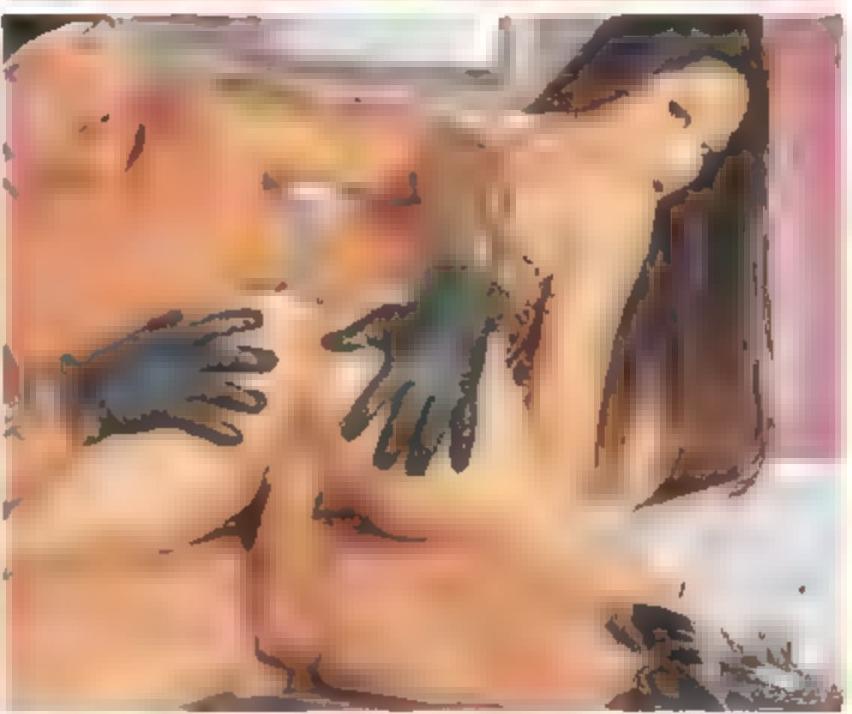

When sex is reduced to pure animal sensation, it takes on an urgency that is spiritually liberating. As anonymous strangers they will fuck each other like alleycats. And when they're both totally spent from sex, they silently sink off into their own worlds again, pretending that neither one will ever see the other again. And if Kurt and Jenaveve get together during the next few days, neither one will mention this night in the alley. But next week, Kurt will most likely send Jenaveve another email.

SUPER EXCLUSIVE! Ron's Life Is 'The Surreal Life!'

WELL, ENOUGH about you, folks. I got a lot to tell you about myself, so I am going to get right down to this morning's column topic. Now, I know I was on "The Surreal Life" TV program a few years back, that whacky VH1 celebrity reality show where they stick a bunch of Hollywood-types together for a few weeks to see who kills who and who fucks who? Well, I had a blast on it, so much so that the producers invited me back as one of a select group of the "Surreal Life All-Stars" who returned to take part in a special new "The Surreal Life: Fame Game,"

that was shot last summer and promised to incredible ratings in January. I am not gonna lie, I am really looking forward to it. I am not gonna lie, I am really looking forward to it. I am not gonna lie, I am really looking forward to it. I am not gonna lie, I am really looking forward to it.

*Behind-The-Sexy-Scenes of
My VH1 "Fame Games" Experience!*

Okay, yes, so you saw it! Great! It ran weekly for 18 hour-long new episodes on Sunday nights for several months up until the wild ending was just recently aired, and man was it popular. So now you're saying to yourself, okay, I saw the show, what more is there to know? Well, my wonderful *SWANK*s, what everyone saw in the final edited version of each episode of "The Fame Games" is only one small piece of what actually took place on the show during our

weeks of filming. You saw what the producers decided to let you see. Now, how would you like to hear some juicy behind-the-scenes dish that no one will ever see on the show, and is only being revealed here in *SWANK* for the very first time? Oh, so you do want to hear that? Well, just sit back and listen in.

My co-stars on the show were Brigitte Nielsen, Glynnis O'Dell, Vanilla Ice, Traci Bingham, Verne Troyer, Jordan Knight, Papa, Emmanuel Lewis, Andrea Lowell and C.C. DeVille—and the host was none other than Robin Leach—that certified bearer of champagne whiskies and caviar dreams from the "Lifestyles of The Rich And Famous" TV program. The creators of "The Fame Games" cast the group from all six previous seasons of "The Surreal Life" based on who they thought were the audience favorites. Quite a compliment I would say as there were dozens of others that were not picked to be brought back! So there we were, all stuck into a big luxury house in Las Vegas with Robin dividing us up into two teams, the "A-List" and the "B-List"

shooting for one \$100,000 grand prize. And that's green money, baby!

The competitions were fun (hey, if you missed any of them don't fret, the re-runs will be going on for months and months on VH1 until the new season starts), kind of tongue-in-cheek things all about being famous and everything else involved with trying to live a celebrity lifestyle. Leave the contests and go onto the B-List, win and stay on the A-List. A-Listers get gourmet meals, B-Listers sandwiches, A-Listers play tennis, B-Listers play ping-pong and so on. We played games with names like "Paparazzi Hide-and-Seek," "Scandal Video Film Festival," and "Hotel Room Trash-a-thon," with each week a new loser sent packing off the show. One-by-one they fell by the wayside, but not me! I am good at stuff like this, and I just kept on winning, as the group went from 11, to 10, to nine and all the way down to just me and Traci left. That's right I made it to the very, very end! And then...but first, some scoop!

For those of you who watched the show you

group—with the A-Listers being treated well, and the B-Listers getting the short end of the stick, and with that troubleshooting and conflict-resolution angle firmly in place, we were off to the races with the cameras catching it all while the post "Surreal Life" A-listers remained as of the intergalactic stars in the house, the species still oblivious to that and were, putting together a competitive twist to the show's theme. The contestants were not only competing physically and emotionally, but all

would come away with the impression that Andrea, the gorgeous "Playboy" girl hated me because of my off-color sex jokes. That was bullshit, the editors of the program did some very nasty things with the editing and painted these pictures that were often either half-truth or totally false. Andrea and I are pals, we used to hang out together in the house's jacuzzi. But you wouldn't know that from watching the show. A lot of people think we all did the show for very little or no money, just for the publicity—or we get paid a million bucks—not! Want to know the real numbers? Why not? Everyone got a minimum of \$40k for the 17 days we spent together. Everyone who made it to the finale, like me, got \$70k. And the winner? The winner, who turned out to be Traci, got the \$70k plus the \$100k for a

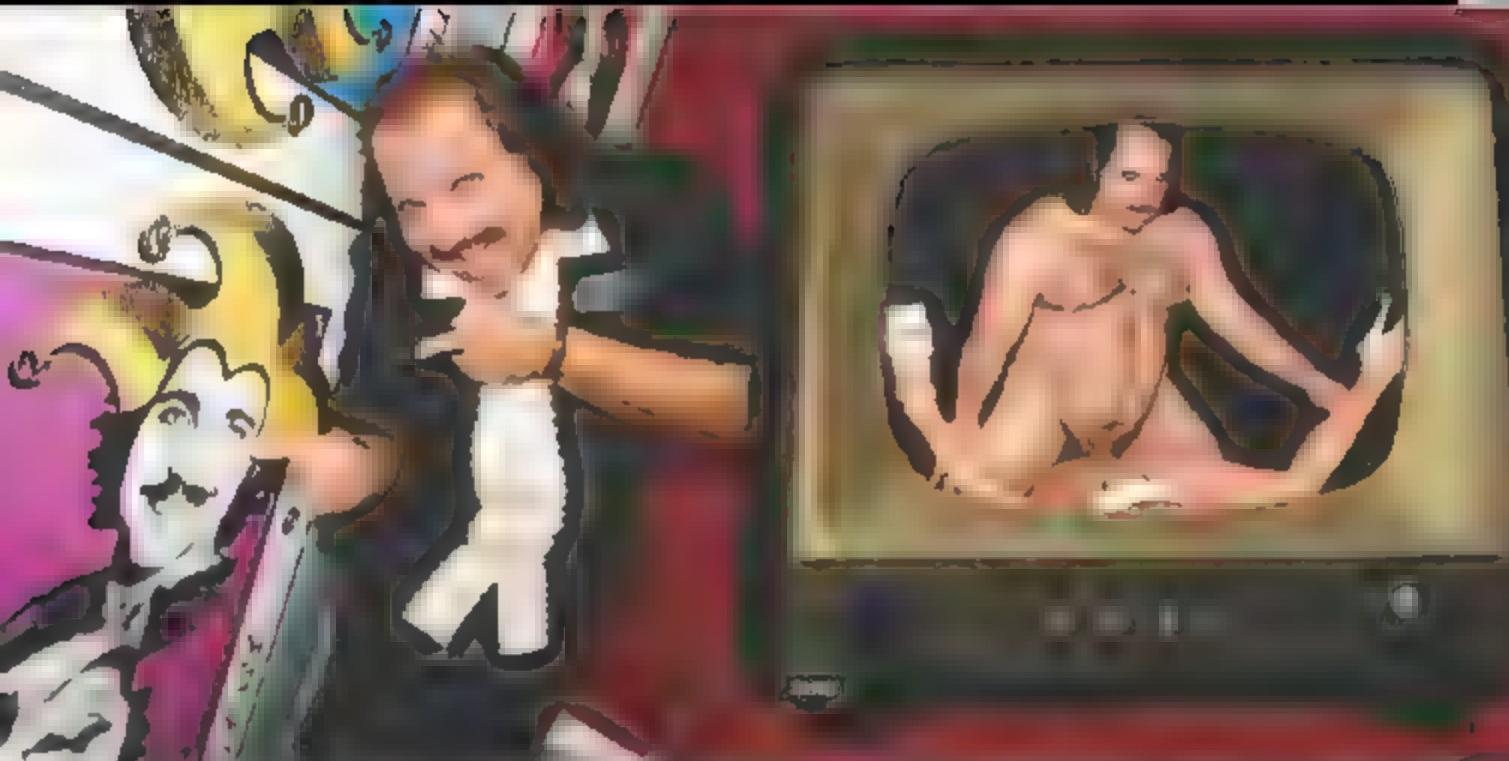

total of \$170k—not bad for a couple of weeks of drama, huh? And about the scene where Vanilla Ice blew up at me because I voted him off the show near the end as part of one of the contests. I got caught in a bind, I did promise Vanilla I would not vote him off, and I tried not to. In fact, I tried to vote myself off instead! I had to pick a chip with either his name on it or Papa's, and I tried to write my name in over his to vote against myself—I don't like to backstab friends, and Vanilla is a longtime friend—but the producers would not let me and he got tossed and he went nuts. For those of you who saw it, it was real; he destroyed the set we were on, badly cut his hand and had to be restrained by the staff. He also said he hated my guts. And he may have for a couple of weeks, but then we talked and I am happy to announce that Vanilla doesn't hate my guts—I mean, I had even promised to give Rob half my money if I won. You guys know I would never choose cash over gear or friendship. Food maybe, but not cash! Just kidding! Sort of!

Anyway, as to the final episode where Traci

My co-stars on the show were Brigette Nielsen, Chyna Doll, Vanilla Ice, Traci Bingham, Verne Troyer, Jordan Knight, Pepa, Emmanuel Lewis, Andrea Lowell and C.C. Deville—and the host was none other than Robin Leach!

Nielsen in her room, and I think it was going to get into some full-blown lovemaking fest, when all of a sudden—a camera crew bursts in! Yeah, that's what was going on: day and night in the house, camera crews ready to pounce, and when they rushed up to our faces, Brigette got shy and pulled back, and that was the end of that! Sigh!

The funniest line for "The National Life Games" was that I found it tough competing and trying to beat everyone else, because I liked everyone on the cast, and especially with both Traci and Vanilla being from my original casting for Season 2 way back in 2003, I kept saying I didn't want to backstab anyone to win, that I would rather lose the money—some of these guys were like family to me. But that's a lot of cash! And we all did what we had to do, and things came out the way they did. I still would have liked to have won. In fact, I would love for there to be a re-match! But for now I'll just have fond memories of the experience, and I will be watching the re-runs along with the rest

and I competed in front of mainstream comedian Kathy Griffin to see which one of us would win and lose, no, it was not fixed, I really think I had a chance to win it all. But when you look at the last scene with Traci looking like, well, like the piece of meat she is, and we dressed and looking like an unemployed truck driver, you have to see where it is going. I think I was at a little disadvantage because Kathy asked me a series of questions first, and Traci next, so I had to think on my feet, while Traci had time to work on her answers. But I have no complaints. When I walked through one door, and Traci another, and each of us didn't know which was the winning door, I thought I had a shot. But as you can see when I walked through and right into a dirty wall with pipes, I was obviously bummed out and upset. I knew I was fucked, and I could hear from

the other door, which led into a room of screaming people, and photographers and a press conference with Traci being handed the over-sized check for \$100k—which made me even more sad. In fact, I am getting a little more depressed reliving it right now! But hey, while \$170k would have been nice, \$70k ain't bad either. Okay, now what about the secret nudity and sex that went on that the cameras didn't show you? That should cheer us both up, right? Well, to be honest with you we were all so wrapped up in trying to win the game, we had no time to masturbate, let alone fuck! For real! We did do some kissing here and there, and some nudity, and lots of people in their underwear, but an orgy it wasn't—unfortunately! My closest thing to XXX that happened was when I was kissing Brigite

of you. I still see some of the cast members pretty regularly at gigs and parties around Los Angeles—Chyna, Traci, Vanilla, and others, so I have to say in retrospect it was all good. But you want to know what my happiest memory was? When one of the competitors had Robin Leach list all 11 of our names on a board, and we had to guess, when they Googled all of our names, who got the most hits. Guess who won, by a longshot? Not the Babewatch chick, not the white rapper dude, not the famous rock star, but me! By far! So that had to give me the last laugh! And that also adds up the last words for this month's column—see you next month right here in SWANK for more wacky stories, I promise!
